**What if the class I want is full?**

*Your academic advisor cannot get you into a class if it is full. These are your options:*

1. Contact the department that houses the course you want to get into.
2. Go to the course the first day of class. Try to speak with the instructor about a possible wait list or getting added to the course. It is up to the instructor if they will assist you with adding the class.
3. Wait for a spot to open up during the drop/add period, See [Registration Guide](#) for dates and deadlines.
